

Website Disclaimer

Certain information in this website may constitute “forward-looking information” within the meaning of applicable securities legislation. Forward-looking information may relate to Terra Rossa Gold Ltd.’s (“**TRG**”) future outlook and anticipated events or results and may include statements regarding the financial position, performance, business strategy, growth strategy, exploration data, prospects budgets, operations, financial results, taxes, distributions, plans and objectives of TRG. The forward-looking information in this website is based on certain assumptions, including, without limitation, the closing of TRG’s proposed transaction with Baroyeca Gold & Silver Inc. (the “**Transaction**”), the closing of TRG’s special warrant private placement financing taking place in connection with the Transaction (the “**Financing**”), the receipt of all required regulatory approvals, and the expected timing related thereto, TRG’s future objectives and strategies to achieve those objectives with respect to its Minera Vetás mining claims located in Colombia (the “**Project**”), as well as other statements with respect to management’s beliefs, plans, estimates and intentions, and similar statements concerning anticipated future events, results, circumstances, performance or expectations that are not historical facts. Generally, forward-looking information can be identified by use of words such as “outlook”, “objective”, “may”, “could”, “would”, “will”, “expect”, “intend”, “estimate”, “forecasts”, “project”, “seek”, “anticipate”, “believes”, “should”, “plans” or “continue”, and other similar terminology.

Although management of TRG, believes the assumptions and analysis underlying such statements are reasonable as of the date hereof, you are cautioned not to place undue reliance on these statements. By their nature, forward-looking statements involve a number of risks, uncertainties and assumptions that could cause actual results or events to differ materially from those expressed or implied by the forward-looking statements. These risks, uncertainties and other factors include, but are not limited to: (i) commodity prices; (ii) the willingness and ability of third parties to honor their contractual obligations; (iii) the decisions of third parties over which TRG has no control; (iv) environmental and government regulations; (v) foreign exchange risks; (vi) judicial proceedings or enforcing foreign judicial judgments; (vii) force majeure events; (viii) increased management responsibilities and expenses of becoming a public company; (ix) its ability to implement and fulfill its business strategies; (xi) general economic conditions; (xii) adverse events related to the mining industry; (xiii) volatility in the capital markets; (xiv) loss of property rights; (xv) future legislative and regulatory developments; (xvi) inability to access sufficient capital from internal and external sources, and/or inability to access sufficient capital on favourable terms; (xvii) income tax and regulatory matters; (xviii) the ability of TRG to implement its business strategies including exploration or drilling plans; (xix) competition; (xx) changes in regulation or in the national or local government legislation of Colombia; (xxi) risks and uncertainties inherent in the preparation of estimates and studies, drill results and the estimation of mineral resources and mineral reserves; (xxii) delays in obtaining or failure to obtain access to lands or required environmental permits or mine licenses, mine permits and regulatory approvals or non-compliance with such permits; (xxiii) retaining key personnel; (xxiv) risks that exploration data may be incomplete and considerable additional work may be required to complete the evaluation; (xxv) unpredictable political or economic developments in Colombia;

(xxvii) receipt of all regulatory approvals with respect to the proposed go-public transaction; and (xxxviii) imposition of trade restrictions or tariffs involving Colombia. The foregoing factors are not intended to be exhaustive. These risks, uncertainties and assumptions could adversely affect the outcome and financial effects of the plans and events described herein. Forward-looking statements contained in this website regarding past trends or activities should not be taken as a representation that such trends or activities will continue in the future. TRG does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Forward-looking statements are made as of the date hereof, and accordingly, are subject to change after such date.

Although management of TRG has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. The purpose of the forward-looking statements is to provide the reader with a description of management's expectations regarding TRG, the business and operations of TRG, the Transaction, the Financing, and the Project. Accordingly, readers should not place undue reliance on forward-looking statements. TRG does not undertake to update any forward-looking statements that are contained herein, except as required by applicable securities laws.
